Hawaii Softball Foundation

Developing Leaders for Life!

Who is the Hawaii Softball Foundation?

The Hawaii Softball Foundation was established in 2009 to support the softball community and our young athletes not only on Oahu but the entire State of Hawaii. The mission of the Foundation is to promote youth development, education, and leadership through softball in Hawaii. The Foundation has established a scholarship fund, and annually supports youth softball players attending college and university programs.

The Foundation is presently in the process of completing the development of a softball complex at Sand Island Recreation Area. There are six (6) fields in the facility and five fields are ready or near ready for participants. Presently the renovation of the Sand Island Fields is our major goal and will take a lot support and donations from the community to accomplish those goals.
